AMMC HOSTS HEALTH FAIR AT SOUTHLAND SCHOOLS

WHO: Arkansas Methodist Medical Center and Southland C-9 School District

WHAT: AMMC is sponsoring a health fair to help raise awareness on the importance of preventive medicine.

WHEN: Tuesday, October 27th from 3:00 pm-6:00 pm

WHERE: Southland C-9 School District Library; 500 South Main Street in Cardwell, Missouri

WHY: Preventive health screenings offer people a chance to detect possible health concerns before they become a problem. Free glucose, cholesterol and blood pressure screenings will be offered. PSA's will be available for men at a cost of \$15.00 to be paid at the time of testing. Medical personnel will be on site to discuss results so you don't have to wait for results to arrive in the mail. Other helpful information and literature will also be on hand. Everyone is welcome.

For more information, please call 573-654-3564 or 870-239-7016.

A recognized leader, Arkansas Methodist Medical Center in Paragould provides progressive, compassionate healthcare to residents throughout Northeast Arkansas and Southeast Missouri. Additional information about AMMC is available at: www.arkansasmethodist.org.
