**Arkansas Methodist Medical Center Vice President/CFO Earns FHFMA Recognition**

**PARAGOULD, AR** – Arkansas Methodist Medical Center Vice President and Chief Financial Officer Bryan Jackson has been recognized by the Healthcare Financial Management Association as a Fellow in HFMA. Jackson is one of only 1,700 individuals to achieve this accomplishment.

Jackson has 15 years of experience in hospital financial management and has worked at AMMC for four of those years.

He earned his Bachelor of Business Administration from Harding University in Searcy, Arkansas. He then went onto complete his Master of Business Administration from The University of Alabama in Tuscaloosa. Along with his recent certification, Bryan is also a non-practicing CPA and a certified management accountant.

Bryan and his wife Charlotte, have two sons, Christopher and James who they home school.

A recognized leader, Arkansas Methodist Medical Center in Paragould provides progressive, compassionate healthcare to residents throughout Northeast Arkansas and Southeast Missouri. Additional information about AMMC is available at: [www.arkansasmethodist.org](http://www.arkansasmethodist.org).
