### **AMMC's BRIDGES TO OVERSEE INFECTION SURVEILLANCE PROGRAM**

**PARAGOULD, AR** -- Lisa Bridges, a registered nurse in Arkansas Methodist Medical Center's Critical Care Unit, has been promoted to Infection Prevention and Control Coordinator for the medical center.

Bridges has been with AMMC for five years. Her new responsibilities will include overseeing the medical center's infection prevention and education program.

"Infection prevention is a vital function in any medical facility and we are very pleased to have a highly skilled and conscientious professional like Ms. Bridges directing this program at AMMC," President & CEO Ron Rooney said.

Bridges holds an associates degree in nursing and a bachelor of science in health services administration. She and her husband Kelly have four children.

A recognized health care leader, Arkansas Methodist Medical Center in Paragould is a state-of-the-art nonprofit institution providing world-class medical services and compassionate care to residents throughout the Northeast Arkansas and Southeast Missouri region. Additional information about AMMC is available at: [www.arkansasmethodist.org](http://www.arkansasmethodist.org).
